**A SPECIAL THANKS
TO OUR VOLUNTEERS & COMMITTEE MEMBERS**

GREENWOOD HAS ALWAYS BEEN PROUD OF OUR ACTIVE, VITAL COMMUNITY. WE WANTED TO GIVE RECOGNITION TO ALL THOSE WHO HELP KEEP OUR COMMUNITY ALIVE.

TO ALL WHO HAVE STEPPED FORWARD AND DONATED YOUR PRECIOUS TIME TO SERVE, WE ARE GRATEFUL TO YOU FOR YOUR HARD WORK AND DEDICATION.

OUR THANKS, TO BLAINE AND MARGARET MILLS FOR HELPING THIS PAST YEAR TO PRESERVE THE TOWN'S VITAL RECORDS FOR FUTURE GENERATIONS.

THANK YOU ALL FOR A JOB WELL DONE.

GREENWOOD SELECTMEN

From the Manager's Desk

Greetings from the Town Office. It has been a busy, productive year for the Town Employees and Boards. The Town Office staff has been working on reorganizing all of the Town Records resulting in quicker research and updated document storage. In June and July of 2009, the Highway Department spent many hours repairing washed out roads from spring flooding. Highway Foreman, Alan Seames and I spent several hours with FEMA Officials to determine if we met the requirements for Federal and State funding to assist with repairing the washouts. FEMA determined that locations on the Cross Road, Rowe Hill Road, Sheepskin Bog Road, Greenwood Road, Wesley Road, Oak Hill Road, and Howe Hill Road met the criteria. We applied and were pleased to be awarded \$ 113,275.64 in funding from the FEMA Public Assistance Grant program. Our Fire Chief, Jim Owens has been actively recruiting new members and the Department has impressively clocked over 1200 hours of training. The Planning Board dedicated many hours to working on implementing the Comprehensive Plan and worked with AVCOG to draft a Land Management Ordinance. After several workshops and meetings, public hearings and a Special Town Meeting; the proposed Land Management Ordinance was turned down by voters. The Planning Board reviewed and approved two subdivision applications – Oak Hill III, an eleven lot Subdivision on South Pond; and Hillside at Mt. Abrams, with 121 Condo Units off Howe Hill Road. The School Board has had a full year working on School Consolidation and making difficult budget cuts with the loss of State Revenue. The Board of Selectmen and Budget Committee worked diligently to keep the proposed budget and mil rate down. We are pleased to announce that by switching the tax year and having two installments has dramatically improved the Town's cash flow. This improvement has saved the Town paying over \$ 17,000 a year in interest for a Tax Anticipation Note. We thank you all for your understanding and patience during this change. The switch and 18-month budget has been a struggle for many taxpayers especially in these difficult economic times.

Some future discussions and goals ahead of us:

Roads – we have been working on developing a 5, 10, and 20-year road improvement plan. On the next few pages, you will find a Road Management Survey completed this spring. The estimated costs for repairs are staggering at \$ 4,779,121.00 and do not include amounts for prep work such as ditching and tree trimming. This year we will be asking the voters to consider a General Obligation Bond for road improvements - \$ 500,000 to be paid over 5 years. If voters agree to the Bond, the funds would be used to improve the following roads: Greenwood Road, Gore Road, Old County Road, Rowe Hill Road, and Vernon Street.

Buildings – It has been determined that the Town Office and Town Hall have severe air quality issues. Town Office does not meet the Federal ADA Requirements. Greenwood City Fire Station is in need of some major repairs.

Junkyards - This has been an issue for many years in Greenwood. We have several residents who like to collect items and over the year's items do accumulate quickly. Neighbors to these collectors have serious concerns with how these are affecting their health and safety as well as their property values. The Board of Selectmen is determined to work with our residents to resolve these issues for the better of our community.

My thanks to all of our employees, board members and volunteers for their tireless dedication to our Town. The Town has many decisions to make and I look forward to working for all of you in the coming year. Please do not hesitate to contact me if you ever have any questions or concerns – or just stop by to say hello and check out the candy jar.

Sincerely,

Kim Sparks, Town Manager

Community Lakes Association

April 2010

Our Association has several members that perform bi-monthly tests of water quality for the Volunteer Lakes Monitoring Association using a Secchi Disk.

We hire a certified Biologist to test the water quality to two ponds each year. In 2009, North and Indian were done. This year it will be Christopher Lake and Twitchell Pond.

We also have members who participate in the annual loon count for Maine Audubon on the 3rd Sat. of July.

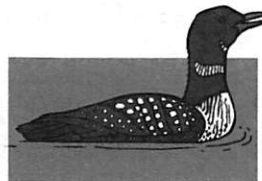

For the safety and well being of those who enjoy our ponds, we promote boating safety and maintaining the purity of the water.

For several years we have been fighting a big battle with invasive milfoil in Pumping Station Cove (Christopher) and Shagg. Due to weather conditions and the fast growth of milfoil we had a hard time controlling the weeds in 2009. However, we have been named one of the partners in the Maine Milfoil Initiative Grant, which will bring significant funds to our work and strengthen our partnership with the 4H Camp and Learning Center at Bryant Pond. We plan to be more aggressive, and hopefully, more successful this coming season with a crew designated for each pond. We have a new milfoil committee willing to help coordinate volunteers and a larger grant for help with expenses.

We welcome anyone who wishes to join and support our efforts to please send dues (\$15) to: Community Lakes Association, 36 Knoll Road, Greenwood, ME 04255. If you are willing and able to receive our annual newsletter by email, please include the information.

Our annual meeting will be at the Woodstock Town Office on July 10th at 9:00am (coffee, tea, etc. at 8:30am)

Buck's Ledge Update 2010

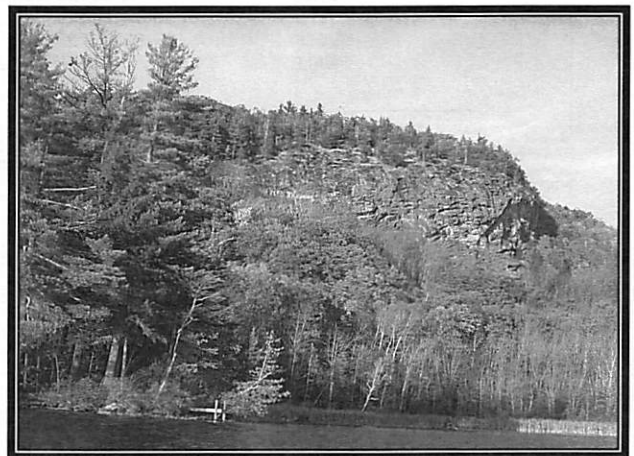

The Mahoosuc Land Trust in Bethel, The Buck's Ledge Committee and the Woodstock Conservation Commission have worked hard to preserve Buck's Ledge, Lapham Ledge and Moody Mountain in Woodstock for future generations. In 2007, we applied for Land for Maine's Future funding to purchase the 640 acres and were approved \$250,000 toward the project. Unfortunately, we were unable to agree on a selling price. The Land for Maine's Future funding was allocated to other projects around the state. The Mahoosuc Land Trust no longer has access to that funding. If a sales price can be agreed upon, the MLT may re-apply for funds in the future

The landowner has given permission for foot traffic on Buck's Ledge. We have created a trail map to both Buck's Ledge and Lapham Ledge and placed it in a box at the trailhead on Route 26 in Bryant Pond, located just north of the Bryant Pond Spring on Route 26. Many rare plants have been identified and a nesting pair of Peregrine Falcons have been seen. The views from both the top of both ledges and from the bottom looking up are spectacular and accessible to the public. The Greenstock Snowmobile Club maintains a snowmobile trail through the property. (Maybe there will be snow next winter to use those trails.)

The Woodstock Conservation Commission continues to work on alternatives to preserve the area. Another area of interest is the protection of nearby Spruce Mountain. The Nature Conservancy has recently given a permanent conservation easement on 4,300 acres of forested land in Woodstock, Milton Township and Rumford to the Mahoosuc Land Trust. This is a deeded easement that will be passed on to future owners of the forestland. In addition the Spruce Mountain Wind Tower Project is proposing conservation on nearby areas for protection from development and continuation of traditional uses.

Although it may seem like a closed door, members of the committee continue to pursue possible ways to protect Buck's Ledge from future development and conserve the land for future generations for traditional uses of hunting, snowmobiling, cross-country skiing, hiking, and viewing wildlife. Many of us want to protect the spectacular views of this iconic mountain cliff overlooking North Pond and Greenwood for our children and grandchildren.

LD 1 Tax Cap Article

Article 8: To see if the Town will vote to increase the property tax levy limit of \$ 718,000.00 established for Greenwood by State Law in the event that the municipal budget approved under the preceding Articles will result in a tax commitment that is greater than that property tax levy limit.

STATEMENT OF FACTS: Every effort has been made to hold the budget increases to a minimum, if adopted as presented the budget will result in a tax commitment that is above the property tax levy limit. If the preceding Articles are approved by voters, we have exceeded the property tax levy limit by \$ 51,385.00. State law requires voter action to authorize an increase in the limit. A vote on this Article requires a written ballot.

JAN 29 2010

Dear Citizens of Greenwood:

In 2009, I began my third term in the United States Senate. I remain deeply honored by the trust the people of Maine have placed in me, and I appreciate this opportunity to report on some highlights of my recent work in the U.S. Senate.

A significant accomplishment came in December when the President signed transportation legislation that includes a provision I authored to create a one-year pilot project to allow trucks weighing up to 100,000 pounds to use federal highways in Maine. This is moving heavy trucks off Maine's secondary roads and out of our downtowns and onto our modern, multi-lane, controlled access highways for one year, during which time a study of the impact on safety, commerce and road wear-and-tear would be conducted. In addition, this change helps to level the economic playing field, as neighboring states already have this exemption.

My appointment in early 2009 to the powerful Appropriations Committee has allowed me to have greater influence on the funding of priorities that are important to Mainers, such as shipbuilding, health care, education, and transportation, while also giving me the ability to continue pressing for the elimination of wasteful spending that exacerbates our federal deficit.

As a member of the Senate Armed Services Committee, I continue to be an advocate for Bath Iron Works, the Portsmouth Naval Shipyard, the Maine Military Authority in Limestone, and the many other defense contractors and institutions in Maine that contribute so much to our national security. In August, I traveled to Iraq and Afghanistan and had the opportunity to meet with many service men and women from Maine. My conversations with them were the most important aspect of my trip to the region. Our troops are brave, dedicated, compassionate, and highly skilled. I will continue to work hard to ensure that they have the support their difficult missions require.

Perhaps the greatest challenge facing our nation continues to be the struggling economy, and among my highest priorities are getting our people back to work and our economy back on track. That is why in early 2009 I joined a bipartisan effort to pass the American Recovery and Reinvestment Act. The bill contains robust infrastructure spending, significant funding for state aid and education, and tax relief for low- and middle-income families and for small businesses. As a result of this bill, Maine is receiving approximately \$133 million for highway investments, more than \$50 million combined for the Clean Water and Drinking Water State Revolving Funds, and \$70.5 million for weatherization and energy efficiency projects.

Energy policy remains another great challenge: America's reliance on foreign oil harms our economy, our security, and our environment. Meeting the challenge of developing energy alternatives will provide great opportunities for Maine to build an economy for the future, with new industries and thousands of good jobs. This endeavor received a significant boost last October when the U.S. Department of Energy announced an \$8 million grant for deepwater offshore wind research at the University of Maine, and Congress also approved \$5 million I sponsored for the Maine Offshore Wind Initiative at UMaine. This January, the U.S. Department of Commerce announced a \$12.4 million laboratory construction grant for the University of Maine. I strongly advocated for these projects because, with some of the strongest winds in the nation off our coast and some of
